

Change our vote

Write a letter to the class persuading us to do the community hero activity that you like the best. Think of great reasons so lots of people vote for your idea! Be prepared to read your letter to the class on Monday.

Sample Letter

Start the letter by telling us the idea you like the best.

Dear class,

I think we should be community heroes by cleaning up our local beach. I think we should clean up the beach because I love to go to the beach. I hate it when I walk on the sand and I step on a bunch of garbage.

People could get hurt if the beach is littered. Animals will also be hurt if the beach and ocean is dirty. The animals could get sick and die. Please vote for cleaning up our local beach so we can help people and animals stay safe.

Finally, end the letter by reminding us to vote for your idea.

Your friend,
Mrs. Ahrens
