

## Homeschool Work- Thursday 4/17 & Friday 4/18

### National symbols

**Read:** Help your child read the Celebrate America magazine in their folder.

**Discuss:** Discuss National symbols together. Talk about what a symbol means. Specifically focus on how important the concept of Freedom is in America and how the symbols represent Freedom.

**Create:** Think about what words/concepts are important to our kindergarten class. What symbols could represent our class? Create a symbol for our classroom in the box below. Write a sentence explaining how the symbol represents our class.

## Add to your Digital Portfolio

### Scholars are Curious

1. Drag the "title" button onto the Scholarly Traits page of your digital portfolio. Write in the title "*Scholars are Curious.*"

2. Add a text box below the title.

3. In the text box, your student should explain which animal group he/she is trying to help for our Community Superhero project. They should also explain why they chose that animal and add facts they have learned so far.

Community Superhero topics: local birds, White Rhinos, Monarch Butterflies

\*\*\*The writing should be at least 5 sentences. We have spent a lot of time researching together so your child should have a lot to say about their topic.

**Please let your child type!** Remember, this is a 2-day home school assignment so there should be plenty of time for students to do a thorough job.

### I can count to 100 by 1s and 10s.

1. Practice counting to 100 by 1s and 10s

2. Practice counting starting from a number other than 1. (Ex: Start at 46 and count to 100.)

3. Extra challenge: Count items around the house. Take pictures with the amount written beside the items and add the picture onto your digital portfolio.
