

Measurement Activity

Choose things around the house to measure using your feet, a different family member's feet, a ruler, and pencils. Record your findings.

Object	Your feet	_____ 's feet	Inches	Pencils
example: the table	9	8	21	9

Which object was the longest? _____

Which object was the shortest? _____

Did you get different amounts when you measured with your feet compared to a family member's feet? _____ Why do you think the amounts were different?
